Step inside this updated home featuring a bright and open main living area with vaulted ceilings, large windows, and a spacious living room centered around a cozy electric fireplace. The adjoining kitchen offers stainless steel appliances, a movable island, plenty of cupboards, multiple prep areas, and under-cabinet lighting. The deep sink includes a built-in cup cleaner, vegetable sprayer, and wash tray station for added convenience. Just past the designated laundry area is a large primary bedroom with a nicely-sized closet and a sliding barn door leading to a fully renovated 4-piece ensuite. At the opposite end of the home there are two additional bedrooms and an upgraded main bathroom which complete the interior. Outside, enjoy a large southeast-facing deck—partially covered for sun or shade—with under-deck storage. The home sits on a corner lot and includes a large shed.
