Welcome Home to This Spacious Detached Bungalow! This beautifully renovated bungalow is ready to impress! With three bedrooms and two bathrooms on the main level and an additional bedroom and bathroom on the lower level, this home has plenty of room for a growing family! The current owners have thoughtfully updated nearly every corner, with the most stunning transformation being the open-concept kitchen—walls were removed to create a bright, airy space that truly brings people together. The kitchen showcases gorgeous wood grain cabinets, sleek granite countertops, and a large island with abundant storage. Plus, all appliances are less than two years old! A modern white subway tile backsplash adds the perfect touch of brightness and elegance. Throughout the home, you'll find new flooring, updated lighting, fresh paint, and upgraded baseboards and casings. The main bath now features a new toilet and vanity, while the ensuite has also been refreshed with a new toilet. The basement offers additional potential, with new flooring and re-drywalled ceilings—just a few finishing touches remain! The seller has already purchased a new shower for the basement bathroom, ready for installation. Outside, this home sits on a massive lot with mature trees, providing space, privacy, and charm. A double attached garage (heater included, "as is") ensures convenience year-round.
