This home measures 1040 square feet on the main floor and has 2+2 bedrooms and 1+1 bathrooms- There is a long list of improvements evidenced by the pictures attached to the listing. Outside you have an attached carport to keep the snow off your roof and a private back yard that has newer sod/newer fence and deck. Also noteworthy is Newer vinyl plank flooring on both the main floor and the basement, newer kitchen/counter top, updated bathrooms, updated baseboard/casing/interior doors, newer windows and doors, newer fence/deck, newer shingles and some new siding are top of mind when you walk through this home.
