OPEN HOUSE SUNDAY AUGUST 10TH
2-4PM. Introducing The Jones, the debut townhome project by A Home Making Company, a distinguished builder renowned for thoughtfully crafted, design-driven homes in Calgary's sought-after inner-city neighborhoods. This exquisite home blends craftsmanship with modern Calgary living, exemplifying commitment to quality, comfort, and timeless design—all in an exceptional location.

This stunning residence offers a sophisticated kitchen with premium KitchenAid stainless steel appliances, including a gas range, hood fan, dishwasher, and space-saving drawer microwave. Quartz countertops, a striking bookmatched backsplash, a pot filler, and a built-in garbage and recycling drawer elevate the space for seamless entertaining and everyday living.

The main floor impresses with exposed beams, a cozy gas fireplace with a concrete surround mantle, and built-in shelving, creating an inviting atmosphere. Adjacent to the dining area, a built-in buffet with matching quartz provides extra storage and serving space. The front entrance is thoughtfully designed with a mirror and a closet organizer.

Upstairs, the primary suite features vaulted 13-foot ceilings with exposed beams, a spacious walk-in closet with custom organizers

and a full-length mirror, and a luxurious ensuite with heated floors, a double vanity, quartz countertops, and a walk-in shower with a floating bench. Attention to detail continues with solid-core wood barn-style sliding doors, high ceilings throughout, and a skylight that floods the landing with natural light.

The lower level offers a versatile media room complete with a full wet bar, built-in TV wall unit, under cabinet lighting, custom shelving, and a beverage fridge—perfect for relaxing or entertaining. A second bedroom and full bathroom add comfort and privacy, highlighted by sunshine windows and quality finishes.

Additional features include 7.5-inch oak engineered hardwood flooring, custom soft-close cabinetry, eight-foot doors, and tilt-and-turn European-style windows with phantom screens. High-efficiency systems include air conditioning, rough-in slab heating, a 50-gallon water tank, heat recovery ventilation (HRV), a sump pump, and programmable Eco B Smart thermostats.

Enjoy a south-facing backyard with a BBQ gas line, a seven-foot privacy fence, landscaped yards, and a single detached garage with an epoxy floor. The exterior showcases timeless brick and stucco finishes with undermount lighting for added ambiance.

Modern tech touches include in-ceiling speakers, Telus Fibre Optik, CAT6 wiring, and an epoxy-finished mechanical room with a water sensor.

Perfectly situated, The Jones offers excellent proximity to public and Catholic schools, shopping centres, parks, playgrounds, and easy access to 17th Avenue, Richmond Road, Sarcee Trail, Bow Trail & Crowchild Trail. AHMC doesn't build houses—they build
