Residential on 0.09 Acres

Redstone, Calgary, Alberta

Welcome to this stunning custom-built masterpiece in the highly sought-after Redstone neighborhood, featuring 3,593 sq. ft. of beautifully finished living space. No expense has been spared in the design, showcasing a neutral color palette that highlights the home's elegance and the abundance of natural light. As you step into the foyer, you'll immediately appreciate the spacious layout. The main floor includes a versatile flex room, a generous living room with a striking gas fireplace and large windows, and a chef's dream kitchen equipped with an island, ceiling-height cabinets, quartz countertops, and stainless steel appliances, along with a pantry and a separate spice kitchen. The main floor also boasts a spacious dining area that opens to an outdoor deck with a gazebo, as well as a convenient 3-piece powder room. Upstairs, you'll find a large bonus room along with four bedrooms, two of which feature their own ensuite bathrooms. The primary suite includes a luxurious 5-piece ensuite and a spacious walk-in closet. The second floor also offers a laundry room and a shared 4-piece bathroom. The fully finished basement, accessible through a separate entrance, includes a self-contained 1-bedroom unit with a kitchenette, a 4-piece bath, and a spacious living area, and separate laundry facility, completed with municipal approval and permits. With numerous upgrades throughout, including high-end flooring and lighting and even central air conditioning for the hot

summers, this home truly exemplifies quality and style. Don't miss your chance to experience this exceptional property! Call today to view!!
