BEST PRICED END UNIT in the complex. Welcome to this charming end-unit townhome tucked into the heart of Copperfield – a community known for its parks, pathways, and family spirit. As you step inside from the ground level, the foyer greets you with a sense of space and warmth. To your right, a door leads to your single attached garage – perfect for those snowy Calgary mornings when you’d rather not scrape windows. A few steps up, the living room opens before you with high ceilings, sunshine spilling through large windows, and a cozy corner fireplace waiting to be lit on a cool evening. Patio doors invite you out to the porch – a perfect spot for a cup of coffee or to watch the neighborhood come to life.

Overlooking the living room, the spacious kitchen is designed for both function and comfort. Ample cabinetry, built-in shelves in the dining area, and a pantry to keep things tidy make this a space where cooking feels effortless. From here, step out onto your balcony and enjoy the morning tea or evening glass of wine. Laundry and a half bath are conveniently located on this same level. Upstairs, both bedrooms are designed like primary suites, each featuring its own ensuite bathroom and walk-in closet. It’s the perfect setup for roommates, guests, or a growing family.

Downstairs, the lower level offers flexibility – a place for a home office, a teen hangout, or a cozy movie room. Storage is cleverly tucked

under the stairs and in the crawl space, keeping everything neatly out of sight. And when you step outside, youâ€™re just moments from parks, playgrounds, schools, and the conveniences of 130th Avenue shopping. This is more than a townhome â€” itâ€™s the start of a new chapter filled with warmth, comfort, and community.
