Looking for a maintenance free yard and home that is 100% ready to move into? You found it! This newer built duplex style house has 3 bedrooms, 2 full baths and a great open floor concept that is warm and inviting with a neutral color palette and a full stainless steel appliance package. Enjoy the east facing covered deck with gas bbq hook up, the large kitchen island with seating for 4 in addition to room for a dining table and chairs. The durable vinyl plank is throughout the house for easy cleaning. There is an electric fireplace in the living room that makes for cozy mornings or evenings. The primary bedroom on the main floor has an abundance of closet space and the room can hold multiple pieces of bedroom furniture. Additional closet storage space across from a 4pc bath complete this level. On the lower level you will find two additional bedrooms (one would require a wardrober for closet), a large family room, another 4 pc bath and finally storage and laundry that leads to a single attached garage.
