Residential on 0.00 Acres

NONE, Diamond Valley, Alberta

Wake up to the kind of mountain view people move to Southern Alberta for. This top-floor, south-facing condo in the highly regarded Mountain View Ridge community offers an easy, comfortable lifestyle in a building that's known to stay quiet, well cared for, and in high demand — homes here never sit long. The layout feels bright and welcoming, with a generous 6' x 22' covered deck and thoughtful finishes throughout: vinyl plank flooring, quartz counters, flat 9-foot ceilings, and soft recessed lighting in the kitchen. The primary bedroom has a 3-piece ensuite, and the in-suite laundry is tucked neatly into a stacked setup that keeps everything convenient and out of the way. Two storage rooms sit at opposite ends of the deck, along with a natural gas line ready for your barbecue. For year-round comfort, the unit also includes air conditioning. The building itself is easy to live in and easy to navigate. Residents enjoy a comfortable social room with an adjacent bathroom, a on-site exercise room, and — yes — the convenience of an elevator. Pets are welcome, and the heated parkade features a handy dog-wash station. Your unit includes a spacious indoor stall, with plenty of guest and street parking for visitors. The monthly condo fee of \$262 covers heat, water, and sewer; residents cover electricity, cable, Internet, and phone.
